Seating + Reservations

The Landing is built to be your home away from home — a place to gather with friends, catch the game, or settle in for a night of live music, craft cocktails, and elevated comfort food. Every seat in the house is open to everyone; a few of our most sought-after spots are designed as curated experiences, and here's exactly how that works.

Seating Guide & Age Policy

Every guest is welcome at The Landing — where you sit just depends on the kind of night you're after:

ALL AGES	18+	21+
Bar Dining Tables	**Lounge Seating**	**Bar Seating**
Open to all ages. Full menu, full energy, no restrictions.	Reserved for guests 18 +. Home to our Experiences — intimate, premium seating built for a true experience.	Reserved for guests 21 and older, in step with where drinks are served.

The idea is simple: The Landing is open to everyone, and within that, we've designed a few spaces with a specific crowd and energy in mind — so wherever you land, it fits.
